**A school

**A place to

& thrive**

A donation has been made in your honor to ignite World Changers through Empowering Lives International. Because of you, 3 children from the Keredi slum will be able to attend the top-ranked ELI Academy in the DR Congo. They will receive a nutritious daily meal, education, counseling and mentoring from the loving staff at the school, and, most importantly, they will learn about the love of God. What a difference you have made in these kids' lives!
