

**A gift has been given  
in your honor.**

A donation has been made in your honor to Ignite World Changers through Empowering Lives International. Because of you, a family in Kenya will receive chickens and powerful training that has the potential to change their lives forever. The new skills and startup investment they receive will help them launch a sustainable business and train others to do the same.

***Asante sana.***  
**Thank you so much!**
