

SIX MOVEMENTS OF *prayer.*

1 NATIONAL & COUNTY GOVERNMENT LEADERS

Across Kenya, national and county government leaders have significant influence over the well-being, safety, development, and future of communities and their people. Governors and county commissioners have created opportunities for ELI to lead the way in the strategy for transforming villages and addressing the root causes of poverty, addiction, and brokenness.

Pray for:

- Wisdom, humility, integrity, unity, and compassion in leaders serving Uasin Gishu, Elgeyo/Marakwet, Baringo, Nandi, West Pokot, Trans Nzoia, & Kakamega counties.
- Open doors and influence for ELI to build relationships with more government officials.
- Leaders to see transformation and value empowering people over harsh-handedness.
- Innovative ways to equip leaders with effective, sustainable skills to empower people.
- Courage for leaders to embrace new approaches.

2 VILLAGE CHIEFS & POLICE

Many rural East African village chiefs and police officers are responsible for the safety of thousands of people. Their response to addiction and illegal alcohol brewing can either reinforce cycles of punishment and hopelessness or become part of a pathway toward restoration.

Pray for:

- Wisdom to recognize the root causes behind addiction, poverty, and family breakdown.
- Courage and integrity to confront illegal alcohol brewing and the systems that allow it.
- Protection and wisdom as they engage in difficult and traumatic situations themselves.
- Them to welcome Scripture, prayer, healing, and the hope of Christ in their communities.
- Transformation from punitive responses to restorative ones, from frustration to compassion, and from isolation to relationships with churches, ELI, and other Christian leaders.

3 IDLE YOUTH & VULNERABLE CHILDREN

In the many nations we serve, children are often the most deeply affected by poverty, addiction, neglect, and family breakdown. Many struggle to understand their value. Some leave school as early as fifth grade. Many grow up surrounded by brokenness, without healthy examples.

Pray for:

- God's protection from disease, abandonment, exploitation, and trauma.
- Food security, health, education, and family stability.
- Youth to experience Jesus' love and purpose for their lives.
- Youth to turn away from destructive, risky, or apathetic behaviors.
- Parents freed from addiction and the long-term effects of poverty, neglect, and trauma.
- VBS programs and youth camps to become places of belonging, early intervention, spiritual formation, and hope.

4

WOMEN & MEN
OF CHANGE

Women and men who have left illegal brewing or addiction ask to be known not by what they once did but as **Women and Men of Change**. These emerging leaders are choosing a new way of life that includes a God-honoring income, a relationship with Christ, and the skills to share their transformation with others.

Pray for:

- Generational patterns of poverty, addiction, shame, and brokenness to be broken.
- Identities to be transformed as sons and daughters of a loving God.
- Courage, faith, perseverance, and hope to rise in their lives.
- A deep hunger for the Gospel and boldness to disciple others.
- Wisdom and skill to establish God-honoring businesses and sustainable income.
- Favor to become trusted leaders and catalysts of transformation for others.

5

ELI KENYA STAFF

ELI Kenya is staffed by people who live in the communities they serve. They build relationships, teach, coach, travel, pray, identify potential, care for people, and continually seek new ways to empower communities more effectively. They hear the cries of people longing for change and often spend long weeks traveling, ministering, and pouring their lives into those who have been marginalized and forgotten. Pray for the **people behind the work**.

Pray for:

- Them as leaders, disciples, parents, spouses, mentors, and followers of Jesus.
- Continued wisdom to recognize strategies and opportunities from the Lord.
- Strength, health, energy, perseverance, and continued passion.
- Unity, trust, humility, and healthy relationships across the entire ELI team.
- Protection for staff and their families as they travel and serve in difficult places.

6

THE ADVANCEMENT OF
THE MOVEMENT

ELI began with a simple commitment: **to equip people with practical skills, share the good news of Jesus, and walk alongside communities as they pursue lasting change**. Rather than creating dependency, we equip people with the skills, resources, and spiritual foundation they need to create change for themselves and others. Today, that work continues from changed lives to changed families, from families to villages, and from villages to communities throughout Africa.

Pray for:

- God to continue leading ELI, multiplying the movement, and opening doors.
- Wisdom to recognize where God is already moving and to join Him there.
- Transformed people to become leaders who multiply what they have received.
- Victory over spiritual opposition and strongholds of poverty, addiction, and hopelessness.
- Resources, partners, and leaders needed for the movement to continue expanding.
- A spiritual awakening that leads to revival in villages throughout Africa, across America, and wherever ELI partners are praying and serving.
